Although the government has been very generous with various Grants, The Job Retention Scheme and a year off paying business rates and even though the club is closed there are still numerous bills to be paid. Insurances, leasing of the tills and card machines, gas, water and electric, phone line rental to mention a few. We have also had some very essential electrical work done to keep the building up to safety standards.

We are looking forward to welcoming back our live music, bingo, quiz nights, poker, pool, darts and snooker. If you have any requests please let us know. We really appreciate our member's suggestions to help move the club forward. Hoping to see you all very soon.
